The U.S. Steel Corp. Cuyahoga Works site is included on a cease work list prepared by Dr. Don Josif of U.S. EPA Region V. The site is listed on the cease work notification by its U.S. EPA RCRA identification number OHD004220810. This number corresponds with the RCRA I.D. number listed on the preliminary assessment. Thus, FIT-CCJM has ceased work on the site.

SITE #128

SITE NAME: U.S. Steel Plant in Lorain, Ohio
ADDRESS: Northeast corner of railroad track 803; just
COUNTY: north of the Bar Mills, and just north of 4
SITE DESCRIPTION: Seamless Mill.

There is an area which is about 2 football fields wide and 20 to 30 feet deep, where burnt lime is being dumped. It's right next to a river, and only a mile and a half from the lake. The citizens are concerned about drinking water. It is now being plowed and covered. Ohio EPA knows about it, but it doing nothing.
